THE SECTOR IS IN CRISIS AS CLOSURES MOUNT

**JOIN THE GROWING CAMPAIGN TO
FORCE THE GOVERNMENT TO REDUCE
THE PUNITIVE TAXES ON HOSPITALITY**

Hospitality VAT and UK alcohol tax/duty is among the highest in Europe and are devastating the sector.

ENOUGH IS ENOUGH!

- ✓ Freezing duty increases Treasury revenues
- ✓ A reduction in VAT to 10% would level the playing field with supermarkets and online sales which often benefit from lower tax rates as well as giving us parity with Europe

LOBBY YOUR LOCAL MP before the budget urging them to **STAND UP FOR THE HOSPITALITY SECTOR.**
If they want your vote, **MAKE THEM EARN IT!**
